

Leadership Alliance for Sustainable Development Goals (LASDGs) – Presentation to HWPL Delegation

10 October 2025 | Dodoma (LGTI
Campus)

About LASDGs

- LASDGs is a national multi-stakeholder platform advancing sustainable development through local leadership, policy engagement, and strategic partnerships.
- Founded to support effective localization and implementation of the SDGs in Tanzania, Africa, and globally.
- Now headquartered at LGTI Campus, Dodoma to strengthen collaboration with local government leaders and institutions.

Policy & Strategic Framework

- Alignment with Agenda 2030 (SDGs), Tanzania Development Vision 2025, and regional & international commitments.
- LASDGs works through policy advocacy, capacity development, and multi-actor dialogue.

Strategic Plan (2023–2030)

- Strengthening leadership capacities in local government.
- Promoting inclusive governance and sustainable development.
- Enhancing partnerships for impactful SDG implementation.
- Leveraging research, innovation, and international cooperation.

Vision & Mission

- Vision: To be a leading platform advancing sustainable development and peace through strong local governance and global partnerships.
- Mission: To build capacity, foster collaboration, and drive policy advocacy for effective SDG implementation at local, national, and regional levels.

Organizational & Strategic Objectives

- Promote peace, justice, and strong institutions (SDG 16).
- Strengthen local governance systems for SDG delivery.
- Foster partnerships (SDG 17).
- Localize SDG implementation through capacity building.
- Drive national & regional policy dialogues.

Potential Collaboration with HWPL

- Integrating DPCW principles within SDG localization frameworks.
- Co-hosting policy dialogues and capacity-building programs.
- Joint advocacy at national, regional, and international levels.
- Signing a Memorandum of Understanding (MoU) to formalize partnership.

Shared Goals with HWPL

- Promoting peace and a culture of dialogue (DPCW Article 10).
- Advancing SDG 16 and SDG 17.
- Empowering local leaders to champion both development and peace.

Key Recommendations / Next Steps

- Formalize collaboration through MoU.
- Establish a joint working group on DPCW & SDG localization.
- Develop a joint annual program (2026+) for advocacy, education, and training.
- Position Tanzania as a regional hub for peace & sustainable development cooperation.
